faces and images

a bit about . . .

september

Prepared by a week of orientation, the new faces of freshmen and transfer students became involved almost immediately in the Bates scene.

Rain forced Boston bands **Beat Surrender** and **New Man** to perform in the Alumni Gym instead of on the quad. Inadequate acoustics and lighting in the gym only promoted the disappointment for those listening and dancing.

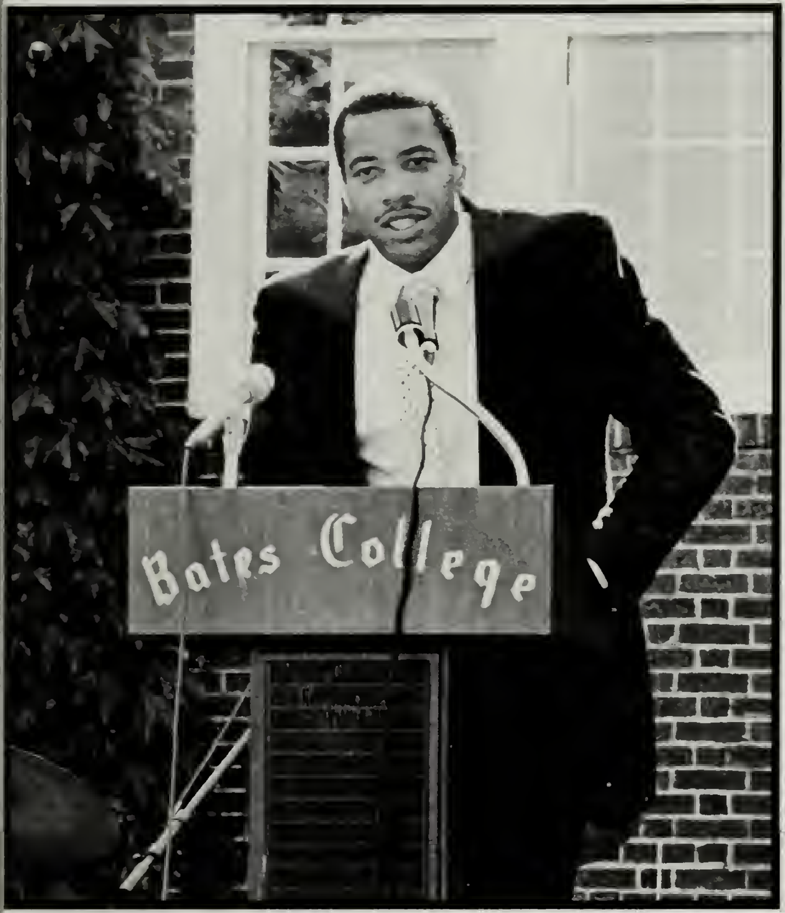
Dean of the College James W. **Carignan** announced that he was going to take a year long sabbatical starting in January of 1987. Dean F. Celeste Branham filled in his position temporarily, while newly appointed Acting Assistant Dean Stephen Sawyer filled her position.

The **Sugarloaf Conference** dealt with Sex Roles and Genders. While being a popular topic of interest on the campus throughout the year, no firm resolutions were made.

The following night , September 20, the Bates College Concert Series presented **Ali Akbar Khan** who entertained the audience with classical music from India. He played his 25 string sarod while being accompanied by a percussionist. That same evening **Face to Face,** another Boston band, played to a different audience in Commons.

Inclement weather hindered another outdoor event for Batesies: **the clambake** took place behind Chase Hall since Popham Beach would have left students frozen, wet, and not satisfied with cold seafood.

Of all the disappointments that September brought, probably the biggest dealt with the first **Maine Festival for Peace and Justice.** Of the 1500 expected attendants, only 400 tickets were sold. Nevertheless, Otis Birdsong of the New Jersey Nets spoke, as did Maureen Fiedler of the Quixote Center, William Sloane Coffin from the Riverside Church in N.Y.C., Sturdie Downs and Tim MacDonald of Operation Breadbasket. Music was by Bright Morning Star, Toshi Reagan, Dupree and Casselbury, and selected Bates musicians.



Bates College

REAT

a bit about . . .

october

October was a busy month for Batesies, with mid-terms, parents weekend, and the World Series breaking up the movement of typical work habits.

Jesco von Pultkamer of **NASA** came to Bates on October 1 and gave a lecture on "The Role of Education in Future Space Exploration."

The **Whistling Thieves String Band** provided students with a different kind of outlet, since not only did they get to listen to some Traditional New England Countrydance music, but they were also taught the skills.

Parents weekend, not only being in the middle of mid-term week, occurred during a busy time. Parents went to the Dedication of the **Olin Arts Center** and some managed to go to theater production *The Good Woman of Setzuan*. Also during this weekend, Detour Nightclub sponsored Boston band **Lifeboat** to play in Chase Lounge for a crowd of approximately 300.

On October 19 the **Crew Team** traveled for the first time to Boston and participated in the **Head of the Charles** regatta. Unfortunately for the newly founded Bates team, another shell fouled them, and the boat filled with water. Hundreds of cheering Bates students, alumni, and friends gathered as Bates' first regatta became a less than successful event.

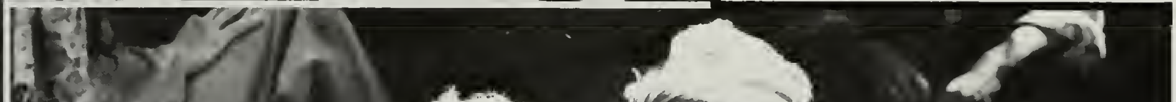
Two days later the Trisha Brown Dance Company performed and amazed the audience with interesting and new ideas in modern dance.

The **World Series** played an important rule during this month, seeing as many Bates students are from around the Boston area. Red Sox fans would be disappointed come November.

October ended on an upbeat note as the Chase Hall Committee sponsored a free, non-alcoholic **Halloween** party. Costumes were the rule, and food and punch could be had in the Den. Despite its possibility at failure since there was no alcohol, the party was well attended, and the band **The Kick** encouraged many to stay and dance on until the wee hours.

SPEED LIMIT
6

R.I.P.
DEAN SAWYER
GIN



november

Students, faculty, and many others invisibly tied to the Boston area were depressed and almost slapped in the face. The **Red Sox** lost the World Series in the seventh game, as **New York Mets** triumphed.

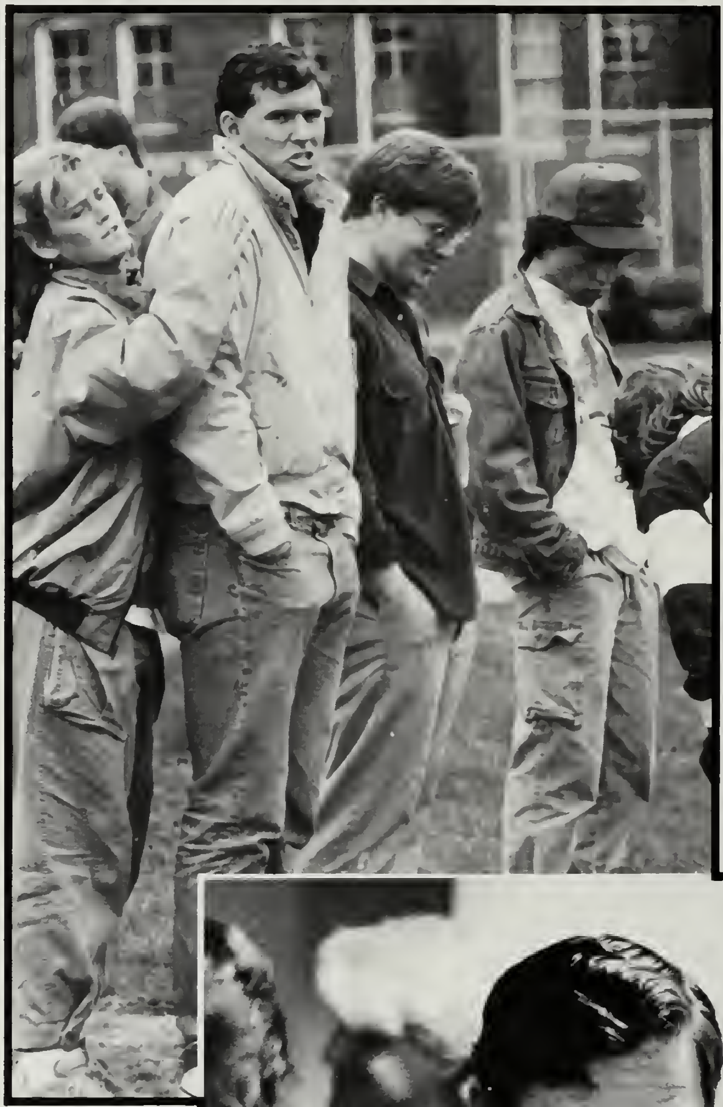
Woodrow Wilson Fellow Ambassador Minoru Tamba, the Consul General of Japan in Boston lectured and discussed various aspects of Japan. The Japanese way of life, Japanese economics, similarities and differences between the U.S. and Japan, and politics were among the topics discussed. The Ambassor's wife accompanied the discussion on the topic of gender roles in Japan.

Set in Vienna, the theater production of ***Eve of Retirement*** portrayed the life of a former Nazi Camp Commandant and his two weird sisters.

November 8 brought more happiness to the Crew team than did the Head of the Charles. The **Crew** team won the Head of the 'Scroggin regatta,in Turner, Maine, over Bowdoin and Colby Colleges. Later that night **Detour Nightclub** presented another up and coming new-wave Boston band, **O Positive**. They, like the Lifeboat concert in October, played to a crowded audience who danced and sang along.

A Deans Forum on **Sexual Harrassment** followed an incident reported by a faculty member who was harrassed by two students. Chase Lounge was filled far passed legal capacity as Bates community members expressed ideas and feelings concerning sexual harassment. This forum led to the decision for an entire day, **March 4,** to be set aside for in-depth discussion of the topic.

The Afro-Am Organization held its annual **Triad** the following night.The Triad Ball customarily has three different types of music in different rooms, and drinks galore.



HATHORN HALL
1931

december

December is a short month for Batesies, but one that makes us age more than any other. Along with having to prepare for the trek home for Christmas Break, the hard reality of **Final Exams** looms in the thoughts of students everywhere on campus.

Nevertheless, some students took a cramming break to see some student produced and student directed plays. Krista Bourquein '87 presented a one act comedy by Mark Medoff entitled "Doing a Good One for the Red Man." Meanwhile Laurie King '88 and Sarah Ostheimer '87 displayed their talents in the respective one act plays "The Great American Cheese Sandwich" and "Plaza Suite."

Also in the business of entertainment, the **Deansmen** and **Merrimanders** hosted the **Wheaton Wheatones** who provided yet another study break with their free musical jamboree.

Meanwhile **Secret Santas** were sending their partners all over campus looking for gifts and clues, some resembling the Grinch more than Claus himself.

A winning season used to be a dream

According to Coach George Purgavie, the 1986 men's soccer team accomplished a feat unknown to Bates men's soccer since 1969 — a winning season. A 2-0 win over rival Bowdoin in the final game of the season finally put the Bobcats over .500 for the year with a 7-6-1 mark. The season ending victory also marked the first time in Purgavie's four years at Bates that the Bobcats had overcome Bowdoin.

After a scoreless first half in the Bowdoin game, the Bobcats took the offensive in the second period. Midway through the half, Senior Alex Kourebanas, on a crossing pass from Junior Alex Palacios, scored the winning goal. After an unassisted insurance goal by Sophomore Jeff Gitlin, the Bobcats, with all eight graduating players on the field, used a strong defensive strategy to preserve the win. Freshman John Fingado, substituting for injured Junior Brian Davis, recorded the shut-out in goal.

Other high-lights of the season included upsets of New England Division III ranked teams. The Bobcats shut-out ninth ranked Tufts, 2-0, and tied Clark, 1-1. The squad also nipped Thomas College, who were nationally ranked in the NAIAC at the time, 4-3.

After the season, Senior Justin Ward was named to both the NEISL (New England Intercollegiate Soccer League) All-Star Team and the Maine State All-Star Team. Purgavie praised Ward's accomplishments by commenting that a Bates player has not been named to the All-Star Team in quite some time.

Purgavie also gave special credit to the seniors. "The Seniors are the first group I've had (every year) since freshman year," he noted. They've worked very hard all four years, and their hard work has set the yardstick for success."

"It was a good overall season," Purgavie continued. "This team showed that Bates College Soccer can be competitive with the best teams in New England."

-Dave Kissner

"The seniors are the first group I've had since freshman year. They've worked very hard for four years, and their hardwork has set the yardstick for success." -Coach George Purgavie

they just keep on getting better

The Bobcat women's soccer team just keeps on improving. Following a fantastic 1985 season with a 14-1-1 record, the '86 Bobcats recorded 15 victories. Can next year's Bobcats do any better?

The only blemish on the season was a 1-0 loss to rival Bowdoin. Coach Diane Boettcher got an early taste of success with the opening two games of the season. The Bobcats easily handled Middlebury, "always strong and under-rated," according to Boettcher, with a 3-0 shut-out in the opener. The 'Cats then followed with another shut-out over Tufts, a team Bates had never beaten.

With continued wins the Bobcats earned a number one ranking in the New England Division III Coaches' Poll, and at one time were as high as third in the National Division III rankings. Their "biggest challenge for the number one spot" came against Curry College. With a number two ranking, Curry was right behind Bates in the poll, but the Bobcats prevailed 2-1.

Unranked Connecticut College took the 'Cats to overtime before Bates managed a 3-2 victory. Then Bowdoin, with a goal very late in the game, squeaked out a 1-0 victory. "Bowdoin had nothing to lose," commented Boettcher. "It was a grudge match left over from last year." In 1985 the Bobcats high-lighted their season with a victory over Bowdoin — their first and only victory over the Polar Bears. Bates, as the number one seed, had little trouble dominating the ECAC tournament held on campus. The Bobcats beat fourth seeded USM 3-0 and defeated Clark for the championship by the same score.

Once again Pinchbeck, Kapsalis, and Maitland, along with Senior Stephanie Smith and Freshman Johanna Michel, led the attack. The Bobcat defense, led by Senior Co-Captain Nadia White and Juniors Deb Sullivan and Donna Defreitas, allowed only three USM shots on goal and five for Clark.

Pinchbeck, who set Bobcat career scoring and assisting records with 32 goals and 23 assists, made the All Maine Team with White and Sullivan. Kapsalis was chosen to both the All Region and the All New England squads, while White and Maitland joined her on the latter.

Coach Boettcher was named New England Coach of the Year, and topped off a truly successful year by being chosen National Small College Coach of the Year. Boettcher is said to be the first Bates coach ever to receive such national honors.

-Dave Kissner

they bring home the trophies

Not much more can be asked of a 19-0 New England Cross Country team which also pulled off the "Triple Crown" — winning the New England Small College Athletic Conference (NESCAC) Championships, the State of Maine Invitational, and the New England Division III Championships. How about a repeat?

The 1986 Bates cross country team did that and more. The 1986 Bobcats not only equalled the 1985 19-0 record and triple crown, they also sent a team record four runners to the 1986 Division III Nationals at Fredonia, New York.

In brutal weather conditions of ice, snow, and mud, Senior Mark Hatch earned All-American honors for the second straight year with a 25th place at the Nationals. Close behind Hatch was fellow senior and roommate John Fitzgerald in 27th place. Juniors Jim Huleatt and Mark Desjardins wound up stellar seasons with finishes of 36th and 64th respectively at Fredonia.

Senior Dave Conrad joined Fitzgerald, Hatch, Huleatt, and Desjardins to form the Bobcats top five runners. Although only Fitzgerald and Hatch were the two official captains, Coach Walt Slovenski commented, "I've never had such leadership through all five point scorers (top five runners). They're a highly motivated group of people, and they had an effect on the type of team we had."

Adding depth behind the top five runners, Sophomore Josh Krell, and Freshmen Dave Weatherbie and Chris Sokolowski rounded out the squad. Other team members who contributed were Colin Browning, Frederick Browning, Robbie Butler, Edward Dixon, Matthew Hays, Kern Karkos, Craig Palmer, Brad Shuster, and Steve Swallen.

The '86 Bobcats were ranked as the top Division III in New England, and finished fourth in the National Division III Coaches' Poll.

"This team is equal to any team I've ever coached" Slovenski said in a *Student* interview. "The 1987 team was another great one. But I've never seen a better attitude than this team had. It was a pleasure to coach them."

-Dave Kissner

"I've never seen a better attitude than this team had"

the foundation is set

The 1986 women's cross-country team had the most successful season in the sport's eight year history; among their accomplishments were the CBB Conference Meet and a win at the Connecticut College Invitational, where they defeated nine teams from all divisions. Notable was the team's third place finish at the Maine State Meet which concluded a 9-2 regular season. Beth Golden '90 was selected to the All-State Team with her seventh place finish.

The test of the team's depth and competitiveness came in the championship meets late in the season. Bates placed second in a traditionally strong 11 team NESCAC Championship. Two members, Susan Pappallardo '88 and Beth Golden '90, were named to the All-NESCAC Team with their respective sixth and seventh place finishes.The team's success continued as they traveled to Long Island, for the ECAC Division III Eastern Championship. The team placed second to defending champion Ithaca and had four members named to the All-ECAC team: Golden, Pappallardo, Kerry O'Leary, and Amy Jones.

In the New England Division III Championships only 35 seconds separated their first five scorers and the team tied for first place to clinch a double victory for both the men's and women's teams. In each of the championship meets, Bates was represented by Kathy Kraemer, Gretchen Ehret, Sarah Alspach, along with Golden, Papallardo, O'Leary, and Jones.

Much of the team's success was attributed to leadership provided by Senior Captains Kraemer and Ehret. Kraemer lettered for three years and was a Senior Honor Award Winner. Ehret lettered for four years and was third Four-Year Letter Award winner in the team's history.

Returning upperclassmen who did not participate in the Championships but made significant improvements throughout the season were Kearstin Anderson, Vanessa Ince, Liz Sheehan, and Anne Leonard. Those competing on the team for the first time included Pappallardo, Jane Gorham, Melissa Hackel, Debbie Morris, and Tracey Penny.

-Coach Carolyn Court

slow start hurts CBB champs

Head Football Coach Web Harrison called a strange year. According to Harrison, the Bobcats sufferred a tough opening game loss to Amherst which then may have affected the next four games. After the 0-5 start, the team won two of their last three games, including victories over Colby and Bowdoin to claim the CBB crown.

The final game against Tufts perhaps epitomized the season. After a slow start, the Bobcats fell behind 14-0 in the second quarter. Then the Bobcats outplayed the Tufts Jumbos for the rest of the game. The Bobcat defense held Tufts scoreless until late in the game. Meanwhile the Bobcat offense adjusted — Senior Quarterback Brian Bonollo went to a passing attack after Tufts stymied the rushing attack. But, just when the 'Cats had tied the game 14-14 and seemed in control, Tufts deflected a kick-off into an 84 yard score to seal a 21-14 victory for the Jumbos. And so the season seemed to continue.

Nevertheless, the Bobcats finished strongly with the CBB wins and the Tufts game. Bates handed Colby a 21-6 decision in front of a large Colby Parents' Weekend crowd. After a 7-6 first half score, the Bates offense took charge in the second half with two touchdowns. And with three Colby turnovers in the fourth quarter the Bobcat defense also performed strongly.

The defense continued the strong attack in the Bowdoin game with a 36-0 shut-out. The victory was the Bobcats greatest thrashing of the Polar Bears in their 97 years of competition.

Junior Runningback Chris Hickey topped off an outstanding season with his selection to the ECAC All-Star team. Senior Defensiveback Joe DiBiasi and Senior Lineman Rob Gabbe joined Hickey on the team. Bonollo's favorite targets included Receivers Junior Steve Lewis, Senior Hank Baer, and Junior Runningback Steve Feder. Senior Captain Bob Donahue, Junior Chris Cronin, and Sophomore Lance Johnson led the defense which finally started to jell at the end of the year, according to Harrison.

-Dave Kissner

"We were playing reasonably well at the end of the year. I hope we can carry through that success to next year."

young team works like poetry, almost

one day in September our season began
pre-season was thrilling with Yak and and Suzanne . . .
we ran round the track while they played with our minds,
because, we're convinced, they were changing the times!
A few of us left, but the hardy prevailed
We had awesome captains in KiKi and Gail
initiation soon proved that our future was bright . . .
the seniors kept everyone singing all night!
we all learned the fight song, new names we learned too . . .
(ask Luscious and Juicy, they'll tell you it's true)
from Smith to our 'turf game, we kept on the ball
and here are some memories of hockey this fall:
The William Tell Overture, to which we'd warm up
Justin, the man on whom Kathy was stuck
practice in PJ's, in Hawaiian shirts, too
Sarah going FLAT out, Lisa hitting balls THROUGH
Heather and Romalda, they loved to collide
and everyone loved to knit on busrides
lasagna and Youngblood, and 'first get their sticks'
aggression on defense . . . and other fun tricks . . .
Jane's blasts on the corners, Maria's super-turbo powered goal
Karen constantly hustling, all the balls Tracey stole
Cruise Director Mangiafico, the UMF game — on a pasture
seeing Tufts finally fall, and yes, Leslie can talk faster!
animalistic on offense and 'go for the knees'
early practice over break, Lauren's goal in OT
Kate, the strong silent type, Ruthie not quiet at all!
and Melissa never gave up a grimmace all fall
the black eye epidemic, the McDonald's drive in
and Sue's cake tasted great on our Conn College binge
Bates hockey, together, when we ate, when we played
from the Saturday nights, to the game under the lights . . .
to JB field with our balls and our sticks . . .
an awesome time in '86

-Kathleen Crowley

banner year for v-ball

It was a banner year for the women's volleyball team. Seniors Emily Gabler and Deb Smith, along with Freshman Michelle Feroah, were named to the Women's All-State Division III Volleyball Team. Gabler and Smith made the first team, and Feroah was selected for the second. The three were also named to the Division III All-New England Team, and Bates had the highest number of players on this team. Gabler also made the All-Region team.

Coach Martha Graef said that the Bates squad won't be resting on its laurels. "Bates, in the last two years, has become a strong team and is very competitive with the top teams around New England. We're going to be playing some of the top teams next year, (like) U.C. San Diego, Fresno Pacific, Ithaca, MIT, and Eastern Connecticut State. All of these are ranked in the top twenty on the United States. It's going to be real tough, but I felt honored that we were asked to participate."

Graef said that she is hopeful that Freshman Michelle Feroah will form the nucleus of a strong Bates squad next year. "She was our center this year, and she ran the offense for us. The center is very like the quarterback in football. It's a very important spot on the team, and she made a lot of decisions on the court."

Gabler and Smith, said Graef, "were four year varsity lettermen. They have been here and just helped build the team. It's gotten stronger every year they've been here . . . They kept themselves in shape over the summers, and it's a nice way for them to cap off their careers. To lose Emily and Deb could be very tough."

The success of the team has also helped recruiting, Graef mentioned. "We're looking for some good recruits. When you have some really top players, it just keeps getting stronger and stronger. Bates has always had strong academics, and now the athletic part is beginning to catch up with the academics. When a very good student-athlete is looking around, Bates gets noticed."

youth proves helpful

1986 was a good year for the women's tennis team. Though young, the team was "stronger in the first and second positions than any other in Bates history," commented Coach George Wigton.

The team started off slowly, losing their first matches to Middlebury, 3-6. They came back, however, and beat all of their other scheduled opponents. All of the singles players won their matches against the Colby Mules. They went on to shut-out the University of Maine twice, Colby-Sawyer, and Clark.

In the first spot on the singles team was Freshman Erica Stewart, who showed great potential with her strong, fast style of play. Second was Senior Virginia Berman who brought experience and consistency to the top ranks. Sophomore Maria Joseph was back for a second year, filling the number three spot. Forth and fifth were Freshmen Kristen Stewart and Ann Polayes. Sixth was Senior Heidi Niit, who played a very consistent game.

Other team members included Senior Alice Danielson, the captain of the team and four year letter award winner; Juniors Caitlin Dyk, and Kari Orem; Sophomores Elizabeth Bower, Tena Fishman, Wendy Graham, Martha Graves, and Courtney Hobbs; Freshmen Stephanie Childs and Jessica Jeong.

Berman and Stewart went to the Eastern Division of the International Tennis Coaches' Association Tournament. Both were defeated in the first round of the singles competition, but they went to the semi-finals as a doubles team.

winning record leads to optimistic future

Under the direction of Captain Mike Bernier and Coaches James Alden and Fred Newman, the Men's Basketball team completed a 12-11 winning record for the 1987 season.

Bernier, a forward, led the Bobcats with a .826 free throw percentage and was second to Sophomore Dave Weaver's 17 points per game avaerage. Senior Bob Price led the team with 39 steals, while Bernier was close behind with 34.

Guard Steve Williams was named captain for next year's team, and since all but three varsity members will be returning, the foundation has been set for the coming years.

Meanwhile NESCAC named Weaver to their all-star second team. Aside from leading the 'Cats with points per game, he also was second in rebounds averaging 7.3 per game. His free throws also ranked in the top three with a .804 percentage.

Ending their Bates basketball careers this year are Bernier, Mark Brown and Steve Brown. In their four years Bernier tallied 750 points, 312 rebounds, and 187 assists; Brown had 243 points, 96 rebounds, and 99 assists; Brennan had 34 points, 22 rebounds, and 12 assists.

rebuilding with rookies

Coach Marsha Graef termed this year's women's basketball season as "a rebuilding one." Bates, finishing 8-13 for the year, started the year with only four veterans. Graef pointed to this fact and described it as "like working with a whole new team."

Graef also noted that the Bobcats have quite a tough schedule to contend with. Of the 13 losses that Bates suffered, ten were to teams in the Top 10 in New England. Graef said that she enjoyed the tough schedule because one can "learn a lot by playing tough competition," adding that it "sets your goals higher."

The two co-captains, Sharon Lake '87 and Debra Sullivan '88, according to Graef, did and "excellent" job of keeping the team together and in good spirits.

Another person who will be missed next season will be Andrea Kincannon '87. Graef termed her as "rookie of the year." Kincannon, in her first year of Bates basketball, led the team in rebounds and was second in scoring. Kincannon's 268 rebounds placed her fifth in the country in that category. She has been named to the CBB All Star Team (in addition to teammate Sullivan), as well as selected to participate in the New England Senior Classic Game at WPI.

Graef said she saw Lisa Blake '88 as an added plus to the team especially as the season progressed. Her absence on the court was felt in the last three games, as Blake had to sit out do to an injury.

Graef said she is very positive about what the team will do next year, and about the incoming group of freshmen, saying that "a lot of very good players have applied." Together with the returning squad next season looks to be prosperous.

11-5 record reflects enthusiasm

Coach Carolyn Court led her 1986-87 Women's Indoor Track team to a season filled with school records, outstanding personal achievements, and a dual meet record of 11-5.

Captains Nadia White '87 and Anne Leonard '87 said they agree that Court's attention to details in work-outs and her enthusiasm at meets helped to push everyone to do their personal best. Her example of team spirit and high expectations is followed by everyone on the team. She said she is thrilled by the attitude of the team. "This year's team had an amazing number of leaders and team spirit oriented people. That only serves to help everyone's performance."

An index of this team spirit is the number of individuals who qualified for the ECAC meet at Smith College. Out of a 25 member squad, 21 individuals qualified for the meet. Of these qualifiers, six earned all-ECAC honors: Jeanette McWhan '87 (1000 yards), Amy Allen '89 (600 yards), Elenor Hogan '89 (high jump), Tracey Penney '88 (pentathlon), and Maria Kourebanas '90 and Anne Leonard '87 (both in the 55m hurdles). Other notable ECAC participants were several individuals who had never before participated in track and field. These include Ruthie Loescher '90 in the 5000m, Allen in the 600 yd, and Karen Loughlin in the shot-put and hammer throw.

Five Bates individuals also managed to qualify for the Open New Englands at Boston University, and four for the Div. III Nationals in Chicago. Allen ran the 600 yd at BU, but the event was not run in Chicago. Kourebanas and Leonard ran the 55m hurdles in both meets. White ran the 1500m at both meets. Ann Millham '89 qualified for both meets in the triple and long jumps, but was forced to withdraw due to an injury.

Four school records were established in the course of this season. Of the record holders, three will be returning next year: Kourebanas in the hurdles (8.72 sec), Millham in the triple jump (36'6"), and Allen in the 600 yd (1:30.2). The sole senior record breaker this season was McWhan with a 1000 yd run of 2:49.32.

With these three power houses returning, along with 16 other veterans and some incoming freshman talent, Court has good reason to look forward to the 1987-88 season. The seniors who will be leaving a legacy of team spirit and total effort include four year letter winners Kathy Kraemer and Ann Leonard, senior honor winners McWhan, Kathy Flaherty, and Gretchen Ehret, and White.

a successful season

The Men's Indoor Track team had a very successful season in 1986-87, finishing with a 5-4 record and sending five athletes to the NCAA Division III National Championships.

Coach Walt Slovenski's Bobcats had key wins over Bowdoin, Holy Cross, and a four point defeat by Tufts. The team's tri-captains were Seniors John Fitzgerald, Dave Conrad, and Scott Pellerin.

Among the highlights of the season was Sophomore Matt Schecter's school record set in the highjump. Schecter cleared 6'10 1/4" on January 10 against MIT to break his own record by almost one inch. Scott Pellerin's meet winning pole-vault effort against Tufts on January 30 was another memorable moment.

Several athletes proved themselves as standouts throughtout the season. Distance runners John Fitzgerald, Jim Huleatt, Mark Desjardins, and Conrad proved their worth in meet after meet, as did sprinter Rich Travis. Several underclassmen, including middle distance runner Craig Geike, Schecter, and weightman Pete Goodrich, all sophomores, excelled personally while contributing to the team. Freshman runners Ivan Clatanoff, Ted Dixon, and Chris Sokolowski also had a definite impact on the team.

Five athletes competed in the NCAA Division III Nationals at the University of Chicago in late March. This is the largest number of track members Bates has sent to such an event in one year. They were 5000m runners Fitzgerald and Huleatt, 1500m runner Desjardins, highjumper Schecter, and Goodrich in the 35lb. weight.

lucky number thirteen

The number thirteen was lucky for the 1987 Bates Ski Teams. The 1987 Bobcat pinies and squareheads (alpine and nordic skiers, respectively) finished with a best ever 13th place finish at the NCAA national championships.

Three skiers, Seniors Kirk Moore and Monika Samolis, along with Sophomore Becky Flynn, earned a trip to Anchorage, Alaska for the 1987 NCAA ski nationals.

Thirteen was also lucky for Alpine Skier Moore. His 13th place finish in the Giant Slalom (GS) combined with a 16th place in the slalom was "the best individual performance for a Bates skier in the combined GS and slalom in a national championship" according to Coach Flynn. Samolis also fared better in the GS at the nationals, skiing to 18th place. Unfortunately, she fell in the slalom event and finished 37th.

For the squareheads, Flynn and Senior Captain Sisi Yost led the women, capturing 10th and 18th respectively in the individual race. Captain Mike Hoye '87 also skied to 31st place in the men's 12.5k nordic race. Pinie Captain Samolis led the women with her hottest race of the year, a 4th in the GS before her home crowd. In the women's slalom, Samolis in 13th was closely challenged by teammate Ro Hart '89 who captured 15th. For the Pinie men, Moore began his outstanding season with 15ths in both the GS and the slalom.

The team finishes of sixth for the women and seventh for the men at the Bates Carnival were repeated at the final carnival, the Eastern Championships at Middlebury. Once again Moore paced the pinies with a sixth in the slalom and 12th in the GS. Pinie Captain Dave Todd's 15th in the slalom enabled the Bobcats to tie pinie powerhouse New England College for fourth in that particular event. Samolis paced the pinie women, capturing fifth in the GS and 12th in the slalom at Middlebury. Flynn captured ninth on the 10k course, while Yost skied to 23rd. For the squarehead men, Hoye skied to 34th in the 15k race, followed by Peter Blanchard in 39th.

At the end of the season, Samolis and Flynn were individually honored for their performances on the eastern carnival circuit. Both earned spots on the second team of the Eastern Intercollegiate Ski Association's All East team.

far from being washed up

"We usually start off strong, then taper off at the end of the season," commented Swimming Coach George Purgavie. "This year we ended the season strong. At the New Englands, we finally got into the Top 10. It's the best we've ever done."

The Men's Swimming team finished tenth among Division III schools and 21st overall at the 1987 New England Championships. The women placed eighth in the latter. The men finished their regular season with a 4-4 record, while the women finished with a 6-2 record. "The regular season is basically qualifying meets, where we try to qualify individuals for the New Englands," Purgavie explained. "The New Englands is the big meet of the year."

Highlights for the men's team included the setting of 14 new school records. Three relay teams broke records — the 400 yd. freestyle relay of Paul Murphy, John Rice, John Simon, and Pete Champlin; the 400 medley team of Mike Godin, Will Letts, Rice, and Simon; and 800 freestyle relay of Jay O'Hair, Chris VonJako, Letts, and Champlin. Captain, Will Letts, set three individual records while Murphy also set three individual records.

Not only did the women blast through the dual meet season with just two losses; the Bobcats went on to a strong performance in the New Englands. Standouts for the women's team included Melinda Wheeler, who went to the NCAA Championships for the 200 breaststroke, Linnea Hensley, Maria Uhle, Alison Smith, Joan Farrington, and Wendy Genga.

bates' newest varsity teams

The 1986-87 season marked the first year of varsity men's and women's play for the Bates Squash Team. Under the guidance of Coach George Wigton, the team shifted from club competition to varsity play against a tough NESCAC schedule.

The men's squad, consisting of 12 players, sported a 1-12 record. While not spectacular, the team did show steady improvement throughout the season, and the schedule concluded with a decisive 9-0 win over Clark. Senior Charlie Grace led the team while Hans Gunderson and Chris Grunden lent strong support.

The women faired slightly better, ending the season with a 3-13 record, which included wins over Bowdoin, Vassar, and Connecticut College. Alice Carlson and Larissa Shumway traded the top two playing positions the entire season, and Virginia Berman played solidly in the third spot.

Coach Wigton asserts that this is a transition year — a year which has given the team the opportunity to grow in terms of commitment, enthusiasm, attitude, and of course experience. He also credits Assistant Coach Herb Bunker as providing "excellent technique coaching" and teaching.

Despite the fact that the teams will be losing their number one players to graduation, this year of experience combined with a very promising returning core, will contribute to what should be strong season, for both the men and women.

The 1987 Baseball team completed its schedule with a 6-13 record, four of the losses by one run.

The Bobcats finished with a .309 team batting average, outhitting their opponents 193 to 187, but were troubled by errors, committing 69.

Leading the team in hitting was Junior Chris Hickey who had a lusty .494 batting average and .688 slugging percentage with 38 hits and 28 runs batted in in his 77 at-bats. Hickey, a left-fielder and designated hitter, also led the Bobcats with 10 stolen bases, three homeruns, and 19 runs scored.

Senior Co-Captain Eric Schlapak paced the Bobcats with a .329 batting average with 25 hits and 15 RBIs. The Bobcats' first baseman, Schlapak had the best fielding percentage on the squad with .994, making only one error in 162 chances. He finished his career batting an impressive .374 and slugging .463 with 101 hits and 62 RBIs. Schlapak holds the Bates season hit record with 43, set in 1986.

Senior Co-Captain Brian Bonollo batted .228 and slugged .343 with 16 hits and 16 RBIs. The team's third baseman, Bonollo also had a triple and a homerun.He completed his career batting .319 and slugging .492 with 77 RBIs and 105 hits, the latter tying a school record. Bonollo broke the school record for runs scored in a career with 101.

Freshman Bob Mischler was second in hitting with a .407 batting average and third with a .463 slugging percentage. Playing mostly centerfield and batting in the leadoff spot, Mischler stroked 22 hits, scored 14 runs, and knocked in six runs.

Junior Bob Price batted .303 and slugged.424 with 20 hits and 11 RBIs. The starting shortstop, Price led the squad with eight doubles, was second with 18 runs scored and was tied for the team lead with 13 walks.

Junior Pitcher Dennis Gromelski was the team's number one starter, posting a 1-3 record and a 4.78 ERA. The righthanded workhorse gave up 13 walks and struck out 25. He pitched two complete games in five starts and was elected to be the captain for next year's team.

(first row) P. Frederickson, B. Price, R. Plante, D. Gromelski, P. Demers, E. Schlapak, B. Bonollo, C. Hickey. (second row) Coach Leahy, M. Farhm, P. Doucette, M. Clizbe, E. Travers, J. Schott, R. LaFleur, D. Weaver, J. Heathco, B. Mischler, G. Abbagnaro, Coach Flynn.

best record in a decade

The golf team ended the 1987 season with an impressive 11-4 record, its best in 10 years.

The Bobcats were led by Junior Dave Larrivee with a team best average of 81.3 strokes per round; Sophomore Russ Libby (84.7); Freshman Marc McCaffery(85.3); Senior Gavin O'Brien (87.4); and Sophomore Keith Blanchard (87.6).

Bates also did well in three championship matches, finishing second to the University of Maine in the state tournament, placing sixth in the NESCAC championships and landing in the middle of the pack in the open New England Championships.

In the championship series, Larrivee proved to be the team sparkplug, scoring 76 in the states, 76 and 85 in two rounds in the NESCACs, and 84 and 85 in the New Englands. Libby scored 76, 86, 89, 83, and 91 in the three matches respectively; McCaffery 85, 88, 89, 83, and 91; O'Brien 83, 85, 94, 89, and 99; and Blanchard 82, 84, 99, 92, and 89.

"We did better than I anticipated," said Coach Bob Hatch. "Generally we played up to our capability and did well against traditionally strong teams."

Four of Bates' top five golfers are expected to return to the squad next year, according to Hatch. Only Captain O'Brien will be lost to graduation.

beating the competition

Ending their 13-4 softball season with a 5-4 win against Colby, Coach Sherry Deschaine stressed the factors to their few losses: a veteran core, weather, and some good competition from other schools.

The squad, while also having some amazing freshmen like Rachel Clayton and Michelle Feroah, is predominantly made up of Bates softball veterans. Two years ago many of this year's seniors were a part of the team that won States. Last year's team, while maintaining a winning record, had not faired as well. This year's team had to attempt to bring the standards up some more.

Deschaine said that outstanding players for this year's team were Emily Gabler and Brenda Gostanian. As pitcher and catcher respectively they pulled the team through some sticky points. Gabler especially "came through in the end" and made the all-state team, according to Deschaine.

As far as filling the ranks of this year's team with new blood, Deschaine said she is "going to pray. We'll reorganize and hope young kids come in and fill in spots so we have a good core. We want the depth back." Deschaine said she is expecting her pitcher, catcher, first and third basemen to return.

According to Deschaine, their winning game against Colby really was important to the Bobcats. Not only did they win in extra innings, but it was also a chance for a comeback from an earlier loss to Colby.

sixth in division poll

The men's lacrosse team finished their season with a 10-4 record and placed sixth in the final New England Division III poll. The Bobcats did not lose a regular season game by more than two goals, but fell to top-seeded Amherst College, 18-12, in the ECAC Division III New England Championship semifinal.

Jeff Gitlin led the team in scoring with 45 goals and nine assists for 54 points. He scored four or more goals in four games this year, including a six goal performance in a 13-5 victory against Babson.

Mike O'Connor led the team with 32 assists and added 15 goals for 47 points. He had the highest assist total for the Bobcats in eight of the 14 games. O'Connor was the team captain and playmaker for the season.

Jeff Cook, a sophomore attackman, was ranked fourth on the team in scoring with 16 goals and 22 assists for 38 points.

Mark Kausel led the Bobcats with 55 ground ball interceptions.

John Heyke, a freshman goalie, played 6 1/2 games in the net before falling to a shoulder injury. He made 65 saves, allowed eight goals per game, and posted a .565 save percentage.

Mead Welles, a freshman who opened the season at midfield, filled in for Heyke in goal after Heyke's injury and did very well in the remaining seven games. He stopped 78 shots and allowed eight goals per game, compiling a .591 save percentage.

a lot to be proud of

The women's lacrosse team has a lot to be proud of. The 1987 team was driven by an intense desire to make Bates a top name in Division III women's lacrosse. They were also driven by a coach who would not let them forget that desire. The words "intense" and "goal oriented" can both be used to describe this season. So can the word "successful."

Coach Suzanne Coffey stressed conditioning and fundamentals. Captains Karen Weller, Jacqui Drain, and Ander Thebaud stressed team spirit and cooperation. These figure heads, supported by the leadership on a team of 11 seniors, are the basis for Bates' rise in the world of Division III lacrosse.

Bates ended their season 11-3, ranked twelfth Division III in the nation.They outscored their opponents 201-65. They accumulated a nine game winning streak, the longest in their history. It was the winningest season ever for the team.

Bates' impressive record of wins and goals was not to come cheaply. Coach Coofey maintains that "This was our most challenging season ever. Coming into this season, we were faced with more ranked teams than ever before."

Unfortunately Bates' schedule grouped most of these teams into a string of grueling games. In a stretch of five games, Bates women lost two and won three. Even against perennial powers Bowdoin and Tufts, Bates did not lose by more than two.

Bates did qualify for the ECAC tournament at Tufts, but unable to carry the momentum of the season, they were defeated in the first round by Colby. It was a bitter loss, and an unfortunate end to an otherwise stellar season.

Four players were invited to participate in the National tournament in Columbus, Ohio: Stephanie Smith, Gabby Fodor, Sarah Griffin, Ramalda Clark. Fodor, Sue O'Donnell, and Drain were honored as All-Region All Americans, and considered for the National All American Team. Smith and Piep Van Hueven were both recognized as Honorable Mention All Americans.

Weller was awarded the "Spirit of 1978 Award" for leadership and dedication. Amy McCutcheon and O'Donnell received the "Alumnae Outstanding Player Awards " for outstanding contribution in leadership and achievement. Jacqui Drain received the "Lindholm Scholar/Athlete Award."

a team of champions

Coach Walt Slovenski once again led the men's spring track team to a winning season. While 3-2 sounds almost mediocre, the competition field is sometimes filled with as many as 70 teams.

Nevertheless, Captains John Fitzgerald, Dave Conrad, and Scott Pellerin, all seniors, led the 26 member team through not only their winning record, but also many record breaking competitions.

Sophomore Craig Geike won the "Plumb Award", while the "Osie Chapman" Awards went to Fitzgerald and Sophomore Matt Schecter. The latter is for breaking school records. In the 10,000m run Fitzgerald timed in at 39:21.78. Schecter high jumped himself into the record books with a jump of 6′8¾″.

Sophomore Peter Goodrich also contributed fairly mightily throughout the season. He competed in the NESCAC Championships, State Championships, Open New Englands, New England Division IIIs, and the NCAA Championship meet, in addition to the regular season. His discus, shot put, and hammer throws took him to these meets, along with Fitzgerald and Schecter. Goodrich and Schecter were selected to the Division III All American Team as well.

survival and success without a home track

The women's outdoor track program is short, chaotic, and rewarding. The short season and the lack of a home track forces the Bates team onto the road in search of meets in which to qualify for later invitations.

For Coach Carolyn Court, this often means traveling to two different meets in the same weekend with two different groups of athletes. For the athletes, it means a lot of time spent in Rent-A-Relic vans.

This season, Bates' women did indeed make the best of their time. Freshmen Maria Kourebanas and Alison Ewald both established new school records. Ewald turned in her record breaking heptathlon performance at the ECAC meet at Bowdoin, placing in the top ten in that highly competitive meet.

Kourebanas' record came under less than ideal circumstances, surprising everyone. Kourebanas arrived at the Fitchburg meet after driving all night from a peace march in Washington D.C. Upon arriving at the meet, Kourebanas learned that the 400 meter intermediate hurdle race would not be in two hours, but in twenty minutes. Despite a severely abbreviated warm-up, Kourebanas finished her race in a blistering 66.6 seconds.

Bates also made a good showing in the New Englands. Kourebanas took sixth in the hurdles. Amy Jones, Bates' foremost distance runner this season, took fifth in the 5000m run. The 4x800m relay team showed its speed as Beth Golden Wendy Harper, Kerry O'Leary, and Jeannette McWhan took sixth place.

This year's ECAC meet saw some impressive finishes. As a team, Bates finished 12th out of 27 teams, Bates' best ever finish in the ECACs. Anne Millham, coming back from a winter track injury, made her presence felt by taking fourth in the long jump, and fifth in the 100m dash. Anne Cole, also recovering from a winter track injury, took sixth in the long jump. Kourebanas, a picture of consistency, finished fifth in both the 100m high hurdles and the 400m intermediate hurdles.

Without any doubt, Bates' most exciting race of the meet was Amy Jones' victory in the 10,000m. Jones, looking to trim 20 seconds off her personal record in order to qualify for Division III Nationals, leapt into the lead. She held this lead for the entire 26 lap, 6.2 mile race. Jones managed to lap the entire field, double lapping the end of the pack. Heat became a factor, and one Tufts runner dropped out due to heat exhaustion. Running by herself, Jones failed to qualify for Nationals. Nonetheless, her victory meant big team points for Bates and should leave Jones optimistic about next year's cross country competition.

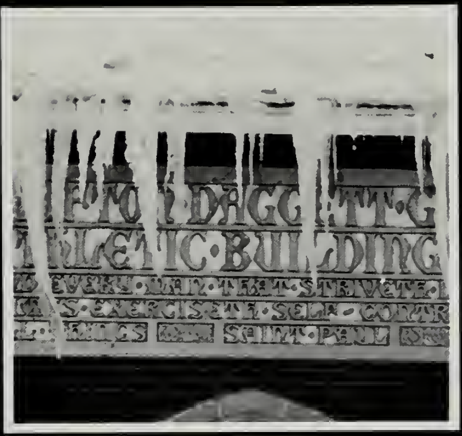
winter

—faces and images—



— a bit about . . .

january

After the merry yule season ends, Batesies return to frolic in the fun of winter at Bates.

On January 9, tradition lives on with WRBC's annual **Trivia Night,** which sends students on late night journeys into the greater Lewiston-Auburn area as well as runs up their phone bills. The **Illuminati** prevail in this year's tournament. On January 12, the faculty vote to cancel classes on **March 4** in order to sponsor a day of discussion concerning social and sexual harrassment.

Noted documentarian **Ken Burns** appears at Bates on the January 15 as part of the Bates College Lecture Series. Burns shows his highly acclaimed documentary **"Huey Long."**

On the same day, Bates 1987 **Winter Carnival** *"Fantasea"* kicks off with a torch run. Other featured events throughout the Carnival week include an evening with **Hypnotist James Mapes,** the annual Winter Carnival **Olympics,** and the **Snow Sculpture Contest.** The festivities culminate in the gala **Winter Carnival Ball** on January 17. Less officially is the other annual tradition during this week: **Paul Newman Day.** Batesies attempt to drink 24 beers in 24 hours.

January 19 marks the celebration of the birthday of **Martin Luther King Jr** ; a candlelight memorial service and presentations of music, poetry, and speeches are given in his honor.

El Salvadoran Refugee **Oscar Chacon** talks on January 30 about the conditions of life in El Salvador today.

Women's Soccer members **Sandra Kapsalis** '89, **Bethany Maitland** '89, and **Nadia White** '87 are named to the New England Women's Intercollegiate Soccer Association's Division III team. Kapsalis is also named to the first team of the National Soccer Coaches Association of America. **Coach Diane Boettcher** is named both regional and national small college coach of the year by the NSCAA, becoming the *first coach* from a Division II or III school, as well as the *first woman* to receive this honor.

— Michelle Farrell

PND '87

— a bit about . . .

february

Despite the continuation of cold weather and many inches of snow, February is a month that either seems to whisk on by us and go on forever.

This year was no exception, especially with such a controversial start as the RA meeting on **Sexual Harrassment Day** . Held on February 2, many students crowded into Chase Lounge to hear Dean F. Celeste Branham and History Professor Steve Hochstadt discuss "March 4th".

February 7 found Batesies with gambling streaks at the Imperialists **Casino Night.** A delicious alternative to Commons was found at the **International Dinner,** and students were encouraged to work off those calories by joining the International Folk Dance which followed.

Late night studying was interrupted by two new film programs: The **Foreign Language Film Festival** and the **Monday Late Night Film Series.** The week drew to a close with the sophisticated talent of the **Bates College Community Chamber Orchestra** in Concert.

Since Friday was the infamous 13th of February, the college saw to it that **February Break** began as soon as classes ended, or in some cases even sooner. Too soon, however, and it was back to Bates for the longest stretch of all, lasting until April. Even though the snow was still lingering in the air and on the ground, hints of **spring** were not far off.

The oh-so pleasant **limited enrollment** for Short Term greeted us on Monday evening, and depressed many who saw the first handful of seniors snag *The Philosophy of Star Trek* and *Shamanism and Witchcraft.*

The Olin Arts Center was later packed with enchanted listeners of **Maya Angelou.** This amazing woman captivated the audience.

The final day of February was celebrated with the **Mardi Gras Beaux Arts Ball.** A good time was had by all who wore unique costumes and danced to the swing tunes of the Boston Band **BLT.**

march

Probably the one date which will be remembered for 1987 at Bates is **March 4.** Entitled **Sexual Harrassment Awareness Day** , classes were cancelled for an in-depth examination of the problem on campus and in society.

Bates drew national attention for the event, the first symposium on such a topic in small liberal arts colleges, as well as a lot of negative commentary. Nevertheless, the Batesies who opted to miss a prime day on the slopes gained a lot more than wind burn.

Meanwhile, Bates debaters were quite busy in an **International Collegiate Debate.** Students from Doshisha University in Kyoto, Japan traveled to Chase Lounge to debate about **Strategic Defense Initiative.**

March was the month for the annual **MS Lip Sync Contest.** All proceeds went to the Multiple Sclerosis Foundation in the hopes of finding a cure.

It was also the month for the postmodern experimental version of **Hamlet,** presented to the Bates campus by the Theater Department in the newly renovated Gannett Theatre.

Despite the seven percent **tuition increase** (up to $15,635), applications for the class of 1991 rose an all-time high 16 percent. 3,500 subfrosh applied for under 400 spots.

Colonel Peter Reilly came to Bates during a month when important speakers seemed the rule. Working with the State Department and having been stationed in both Nicaragua and El Salvador, Reilly spoke about events and issues relevant to his filed. Four days later, **Colonel Charles Scott,** a former Iranian Hostage held for 444 days, spoke to a crowded Olin 210 audience about his hard line on terrorism. **Dr. Linus Pauling,** a two time Nobel Laureate, spoke on his field of expertise: *Vitamins and Health.*

While being a busy month, Batesies also took time out for the annual **St. Patrick's Day Puddle Jump.** Authentic right down to drinking the green beer, Batesies prepared themselves for the cold jump into the Puddle.

april

April is a divided month: reading week and final exams start the month, a week's vacation splits second semester from Short Term, and Short Term finishes the month. Despite the chaos of this month, things happen at Bates in April.

While Batesies were sweating out reading week, they took a break to listen to **Robert Crabtree,** a faculty member from Yale University, who spoke on the topic "Discovery and Exploration: 1770-1914."

Shortly thereafter the **Senior Thesis Art Exhibit** opened in the Olin Arts Museum. Art majors' works were shown for until the end of the semester.

The **Deansmen** and **Merimanders** hosted special guests **The Cat's Meow** from the University of Vermont at the annual **Spring Jamboree.**

The **Whistling Thieves** held yet another one of their traditional New England countrydances. All dances during the evening were taught to beginners and were called.

On a more risky level, Batesies went to see **Explorer Paul Schierke** discuss his recent unassisted expedition to the **North Pole.**

That same night, the Sunday before Final Exams, Chase Hall Committee sponsored a concert in the Alumni Gym. While most Batesies did not go to the concert, **Wang Chung** will be remembered as the conversation piece for the month. Controversy due to the timing, the price, and the poor acoustics did not deter some from dancing to the pop hits "Dance Hall Days," "Everybody Have Fun Tonight," and "Let's Go." Canadian band **Eight Seconds** opened up for the concert.

After final exams came a week's vacation for some, and a summer vacation for others. While the semester was over, the month was not. For the rest of what happened in April, please turn to page 214 for the **Short Term** wrap-up.

short term

faces and images —

short term

While Short Term seemed more sedate than many from the past, the calendar was actually quite full of events.

"American Pictures," for example, was a three hour slide presentation by and about Dane Jacob Holdt and his journeys through America's underclass. Because of the upsetting nature of some of the material, a discussion session which led to more optimistic feelings, was held the following day.

The **Bad Film Festival** destroyed all good feelings about everything. Classics like *Hell's Angels on Wheels* and *Plan 9 from Outer Space* left Batesies begging for quality. They found it in the **Stephanie Skura** and Company Dances "Going Off" and "Limbs of Fury." The Bates **Festival Theatre** production of *Serenading Louie* also augmented the quality factor. Later in the month, the Festival Theater produced two one-act plays: *A Serpent's Egg* and *The Cannibal Masque*.

Meanwhile, 1987 Woodrow Wilson Visiting Fellow **Alice Adams**, Nobel Peace Prize winner **Dr. Bernard Lown**, and Hugo Award Winning Science Fiction Writer **Frederick Pohl** all came to speak on topics in their fields of interest.

The Wednesday **barbecues** put on by STAC, the activities fairs, and, of course, those wild **Pierce House** parties kept the more the 230 subfrosh content as they attempted to decide between Bates and their other schools. With advertising as such, their decisions could be pretty obvious. STAC also sponsored the Short Term **Semi-formal,** and two dance/parties with bands **Barrence Whitfield and the Savages** and a 14 piece African Rhythm and Reggae **Abrahamma's World Beat Band.**

But it was hardly fun and games for the ten ironpeople and three ironteams who competed in the **Outing Club's Triathlon.** After the 1200 meter swim, 26 mile bike route, amd 5 mile run, who could blame the triathletes for being exhausted ... especially in that heat! That's not all the Outing Club did during Short Term, though. There was the Mt. David clean-up, and, of course, the **Clam Bake.** Unlike past years, the weather was ideal and there was a large turn-out for the Popham Beach day of fun.

an explanation

No, the theme of the 1987 *Mirror* is not supposed to be that of shattered dreams, but rather mirrors. What you lived at Bates was real; what is bound here is the image, and so there will be missing pieces. In the year 2007, twenty years from now (gosh!), many of your memories will have slipped away. We have tried to gather as many pieces, slivers, and shards of the 1986-1987 academic, athletic, and social year as possible. We have tried to put these pieces back together so that your reflections won't be totally shattered.
